Church Violence & Active Threat Response Protocols

FREE (Register Now to Reserve a Seat)

As shepherds of the Body of Christ, pastors and church leaders bear a sacred responsibility - to protect those entrusted to their care. This 4-hour, faith-centered training equips your staff, volunteers, and safety team to recognize, prepare for, and respond effectively to emergencies and active threats on church property, helping ensure your church remains a safe haven for worship and ministry.

Why Attend:

- **Protect:** Learn practical strategies rooted in real-world church incidents to prevent and respond to threats.
- **Faithful Preparedness:** Grounded in biblical principles, this course empowers leaders to act with courage, wisdom, and calm reliance on the Lord.
- **Practical Tools & Skills:** From situational awareness to RUN-HIDE-FIGHT (DHS) protocols, participants will gain actionable skills they can implement immediately.
- **Hands-On Training:** Learn about “Mind Games” (scenario-based exercises) that promotes critical thinking and decision-making in realistic situations.
- **Peace of Mind:** Build confidence for your team, knowing you are prepared to protect your congregation while honoring God’s call to stewardship.
